MEMORANDUM FOR: Project Security Officer  
SUBJECT : Clearance for AMS Personnel

1. The names of [redacted] civilians, have been submitted for Project clearance by Air Weather Service through Air Force.

2. The OSI is currently working on the background investigation for those people but appear to be moving slowly. These people cannot be used in the Central even in work supporting the Project until the SI is completed and they possess a Top Secret clearance. They are needed as soon as possible. For this reason I request you exert all possible pressure to expedite the completion of HI's by the OSI so that authority to grant them Project knowledge can be secured.
